3rd July 2019

To Parents & Caregivers of Baradene College

I am sure you are aware that recently there have been some significant price increases, some of which have had a direct impact on the running costs of our operation.

These include wage increases & the continual steady rise in fuel prices.

This is the 1st fare increase we have proposed in 3 years & will bring our fares in line with our other schools we provide school services for.

We are advising that these new prices will take effect from 22nd July & will increase by up to 50 cents per ride.

The new prices are as follows –

053 - Clevedon to Baradene College - 20 ride ticket - \$110.00

053 Papakura/Takanini/Manurewa/Manukau to Baradene College - 20 ride ticket - \$100.00

012 - Ellerslie to Baradene College – 20 ride ticket - \$60.00

012 - Dannemora/Howick/Pakuranga/Panmure to Baradene College- 20 ride ticket - \$90.00

012 - Dannemora/Howick/Pakuranga/Panmure to Baradene College – 10 ride ticket - \$45.00

All existing tickets will be honoured until finished.

We will also be providing a tracker app so students & parents can follow the bus.

(These details will be provided at a later date.)

Thank you for your continuing custom.
