

New Proposed Enrolment Scheme – 2021

Policy of Scheme

This amended scheme, designed in conjunction with the Proprietor, recognises a growing demand for places at Baradene College at year seven level from local students who reside within reasonable proximity to the College, whilst seeking to preserve and maintain the Special Character of the College which includes making provision for siblings to attend the College together.

Maximum Roll

The College's roll will be managed within the maximum roll prescribed in the College's integration agreement. The number of places potentially available for non-preference students will be governed by the maximum number allowable under the College's integration agreement.

Enrolment Procedures

The Board of Trustees of the College has, as a requirement of the Minister of Education approving an increase to its maximum roll, made changes to its enrolment scheme as specified by the Ministry. All applicants must satisfactorily complete an Application for Enrolment and meet the special character criteria for preference students ("Special Character Criteria"). The scheme is intended to be effective for enrolments from the beginning of 2021.

Priority in Enrolment

Enrolment will be given to those applicants for enrolment at year seven who meet the Special Character Criteria in order of the defined priorities.

Preference enrolment

Consistent with the Special Character of the College, preference of enrolment is given to families with a commitment to the Catholic Church. Preference of enrolment is established by the Proprietor in accordance with guidelines approved by the Proprietor.

Baradene College (61)
Enrolment Scheme
Effective from 1 January 2021

The guidelines for development and operation of enrolment schemes are issued under section 11G (3) of the Education Act 1989 for the purpose of describing the basis on which the Secretary's powers in relation to enrolment schemes will be exercised.

Single Home Zone

The geographical zone is defined below and as outlined on the map attached as an Appendix ("The Home Zone").

Home Zone

All students who live within the home zone described below and/or shown on the attached map shall be entitled to enrol at the school, subject to the priorities listed below.

Continue along St Marks Road (even addresses only included) to Remuera Road (even addresses 2-52 and odd addresses 1-97 excluded) before travelling north east along Middleton Road (odd addresses only included. D'urville Heights, Joseph Banks Terrace, James Cook Crescent and Maui Grove excluded) to the roundabout, then continue north east along Bassett Road (even addresses 2-112 and odd addresses 3-153 only included) to the roundabout. At the roundabout (Ayr Street excluded) travel north east along Brighton Road (even addresses 2-114 only included, Kenderdine Lane excluded) to St Stephens Avenue (odd addresses 17-147 and even addresses 48-158 only included). Travel along St Stephens Avenue to Gladstone Road (odd addresses 3-87 only included, Stratford Street, Avon Street, Stanwell Street and Cleveland Road excluded) and then along Gladstone Road and then Slip Road and The Strand all the way back to the starting point.

All residential addresses on included sides of boundary roads and all no exit roads off included sides of boundary roads are included in the zones unless otherwise stated.

Priority in enrolment

Applications for enrolment outside any special programme will be processed in the following order of priority.

Priority*	will be given to preference applicants for whom the school is reasonably convenient. These are preference students who reside within the approved Home Zone. Students within this priority group are guaranteed enrolment unless including all of them would exceed the school's maximum roll (and/or school capacity). In such a situation, students will be ranked for selection according to the priorities below:
First priority	will be given to preference applicants in the Home Zone who are siblings of current students
Second priority	will be given to preference applicants in the Home Zone who are siblings of former students
Third priority	will be given to preference applicants in the Home Zone who are daughters/granddaughters of alumnae
Fourth priority	will be given to preference applicants in the Home Zone who are daughters of teaching staff
Fifth priority	will be given to preference applicants in the Home Zone (not in the above priorities)

Where places exist after the Priority Five places have been filled, priority will be given to out of zone preference applicants by applying in the order of priorities two to five.

After all preference applicants have been offered a place, any remaining places may be offered to non-preference applicants in the Home Zone, followed by out of zone non-preference applicants.

If there are more applicants in the priority groups than there are places available, places will be allocated in priority order until a category is reached where the number of spaces available in that category is insufficient to accommodate the number of eligible students. Places will be allocated by ballot.

Grandparented arrangement* -until the end of 2027 siblings of current students at the College at the time of the adoption of this new scheme and who reside out-of-zone will also be entitled to enrolment as First Priority.

Waiting List Procedure

If the total number of applications is greater than the number of places available, unsuccessful applicants will have their names recorded on a waiting list, within the relevant priority category, ranked according to the priorities. Students on the waiting list may be offered places at a later date if

places become available. The waiting list will remain current until the beginning of the following College year.

Siblings at the same year level will be kept together for the purpose of the ballot, so that if one sibling's name is drawn, the other(s) is/are automatically successful also.

Notes:

- Applicants seeking priority status on the basis of a sibling relationship may be required to provide proof of a sibling relationship.
- Applicants seeking priority status on the basis of an in Zone address may be required to provide proof of their residence at the address and that the address has not been used as a temporary residence for the purpose of gaining enrolment at the College.
- The number of places available for non-preference students will be governed by the maximum number allowable under the College's Integration Agreement.

Enrolment Applications

The closing date for applications for the following year along with the proper procedures for applying will be published in the main daily newspaper (currently the NZ Herald), and on the College website.
