Careers Evening

Thursday 5 August 2021 | 6:00pm – 7:30pm

Careers Evening

Thursday 5 August 2021

Welcome to the 2021 Baradene Careers Evening!

Firstly, a huge thank you to the 40 guest speakers, who will give up their time to talk about their own career journeys from when they left school until the present day. They will offer advice, talk about their experiences in their chosen career and offer an insight into occupations that may be of interest to our students.

This year we request that everyone arrives at 5:45pm and moves to their first venue so the speaker can begin at 6:00pm. There will be no formal group welcome.

Sessions commence according to the schedule below, with 10 minutes between each presentation to allow time for students and parents to move to the next session. Each presentation will last for 20 minutes, which includes time for students and parents to ask specific questions. Please arrive at your chosen session in good time. If a session is full, please wait until the next session with that speaker.

In addition to our speakers, School Liaison Officers from all the New Zealand Universities will be represented on the night and each will have a stand for you to visit in the M Block foyer. You are encouraged to make use of the university staff to find out more about particular courses, entry criteria, halls of residences and campus life in general.

Our Careers team staff, Nicky Burnett and Alex Lonergan will be available on the night, but if you would like to book time to discuss anything more in-depth, please make an appointment to come and see us. Our details are below.

We hope you enjoy the evening and find it insightful; whether you're a senior student narrowing down your career direction after school, or a younger student still exploring a wide range of options and gathering ideas.

TIMETABLE

Session One	6.00pm - 6.20pm
Session Two	6:30pm – 6:50pm
Session Three	7.00pm - 7:20pm
