INFORMATION FOR PARENTS / CAREGIVERS SEEKING PREFERENCE of ENROLMENT at CATHOLIC SCHOOLS

The following information is given to assist parents/caregivers seeking to gain preference of enrolment at a Catholic school

- In seeking preference of enrolment at a Catholic School you need to make a commitment to actively supporting your child in his/her faith formation and the practices of the Catholic Church.
- The Diocesan Preference Certificate needs to be signed by a Parish Priest or other authorized agent of the Bishop. It is normal practice to make an appointment with the Priest.
- A new Preference Certificate is required for each child in the family.
- Preference Certificates are school specific, in that the name of the school, the family intends to make an application for enrolment, must be specified on the Certificate. If you intend to apply for enrolment at a number of different Catholic schools you should have the required number of Preference Certificates and ask the Priest to sign these during the one interview.
- A new Preference Certificate is required for transfer to another school e.g. primary to secondary school. In some exceptional circumstances the preference status of your children could change.
- The school keeps the Preference Certificate – not the family.
- If you are applying for preference of enrolment under criteria 5.3 which reads *At least one parent/guardian is a Catholic, and although their child has not yet been baptised, the child's participation in the life of the school could lead to the parents having the child baptised*, it is important to recognize that one parent/guardian being Catholic is not sufficient in itself to guarantee that preference will be granted. The second part of the sentence has equal weight with the first.
- If you are applying for preference of enrolment under criteria 5.4:
 - ❖ The significant adult must be a close family member who is actively involved in your child's upbringing; a practicing Catholic and live close to you so that they can actively support your child's faith formation and practices of the Catholic Church by taking your child to Sunday Masses and supporting other school and parish initiatives.
 - ❖ This significant adult needs to accompany you to the meeting with the Priest when seeking preference of enrolment.
 - ❖ It is the responsibility of the significant adult to provide some evidence to show they are an active member of the Catholic Church, if not personally known to the person granting preference of enrolment.
- Priests/ Bishop's Agents grant preference and they are the only person who may do so. Schools then decide which students they will accept for enrolment.
- Attendance at a Catholic school by non-preference students is not grounds for seeking preference of enrolment at another Catholic school.

2022 College Financial Contributions

Parent Financial Contributions

Baradene College Limited is the Proprietor of the College and is responsible for the collection of Parent Financial Contributions which includes College and Junior or Senior Contributions.

GST exempt contributions are authorised by section 34 of the [Education and Training Act 2020](#) and qualify for the Donations Income tax Rebate. A Donation Tax Receipt will be automatically posted out at the end of the Financial Year but is also available on request.

GST inclusive contributions are authorised by section 30 of the [Act](#) and subject to GST at the current rate of 15% (subject to change by Government). These amounts do not qualify for the Donation Income Tax Rebate.

The first member of each family attending the College pays the full Financial Contribution (i.e. either Junior or Senior Contribution). There is a discount of 5% for the second member of one family attending the College at the same time and, for the third and subsequent members of one family attending the College at the same time, there is a discount of 10%. This discount does not apply to Attendance Dues, or College Contributions.

The Boards of Baradene College have approved an increase equal to 3% of the total Parent Financial Contributions for 2022. This has been added to the Junior and Senior Contributions and will be used to fund the recently completed music facility, carpark and hockey turf project and for the new replacement gym complex currently at a planning stage.

Attendance Dues

Attendance Dues (including GST) have been increased to \$229.00 per Term for senior students and \$117.00 per Term for juniors. The Minister of Education approves the rate of Attendance Dues under Section 30 of the [Education and Training Act 2020](#) in respect of the groups of schools forming part of the Diocese of Auckland Common Fund. The Attendance Dues are paid to the Auckland Common Fund and must be applied to the group of schools solely for authorised purposes under Section 30 of the [Act](#).

The College Contribution is \$351.50 (GST exempt) per Term. This Contribution is to cover extra resources for the benefit of students including additional staffing, curriculum resources, information technology and co-curricular activities.

College Magazine

The charge for the College Magazine of \$42.00 (incl GST) in Term 3 is based on one per family. This cost is set by the Baradene College Board of Trustees.

School Camps

The School will from 2022 onwards be charging parents of Year 8 and Year 10 students directly for Camp Contributions.

Parent Teacher Association

The annual contribution of \$10.00 per family is collected on behalf of the PTA.

Alumnae Association

A one-off contribution of \$50.00 is collected from each Year 13 student on behalf of the Alumnae Association. This is for lifetime membership of the Association.

Master Development Plan

A Master Development Plan is subject to ongoing review to provide quality teaching and learning facilities for the students and to ensure future projects following the Music Sports and Infrastructure Project are appropriately co-ordinated and prioritised. The current project at a planning stage is the replacement of the existing gym to provide facilities for the college's approved roll increase over the coming years.
