

## Yangfei Phyllis Li – China

哈喽！大家好！我叫李阳菲，我的英文名是Phyllis。我来自中国广东。我在Baradene College of the Sacred Heart 学习五年了，去年年底刚毕业。未来的我打算去The University of New South Wales 读工程和计算机专业。大学毕业后也打算继续在相关领域发展，继续追求我的梦想。我觉得在Baradene的五年是我人生中最重要的一年，我认识了很多有趣的朋友，也认识了改变我人生命运的老师。在这里，我发掘了对科学和数学的兴趣，也学会了如何成为一个自律的人！如果没有在 Baradene College of the Sacred Heart 的这些经历，我就不会成为今天的我。

Hello everyone! My name is Yangfei Li, and my English name is Phyllis. I'm from the Guangdong Province of China. I had been studying at Baradene College of the Sacred Heart for five years, and just graduated last year. I plan to study Bachelor of Engineering and Computer Science at the University of New South Wales in the future. And I also plan to develop in related fields to pursue my dream after university. I think the five years that I spent at Baradene are the most important five years of my life. I have met so many interesting friends, and life-changing teachers. At there, I discovered my interest in science and math, and learned to be a self-disciplined person! I believe I wouldn't become who I am today without these experiences at the Baradene College of the Sacred Heart.
