2023 PARENT FINANCIAL CONTRIBUTIONS

Parent Financial Contributions

Baradene College Limited is the Proprietor of the College and is responsible for the collection of Parent Financial Contributions which includes College and Junior or Senior Contributions.

GST Exempt contributions are authorised by section 34 of the Education and Training Act 2020 and qualify for the Donations Income Tax Rebate. A Donation Tax Receipt will be automatically posted out at the end of the Financial Year but is also available on request.

GST Inclusive contributions are authorised by section 30 of the Act and subject to GST at the current rate of 15% (subject to change by Government). These amounts do not qualify for the Donation Income Tax Rebate.

The first member of each family attending the College pays the full Financial Contribution (i.e., either the Junior or Senior Contribution). There is a discount of 5% for the second member of one family attending the College at the same time and, for the third and subsequent members of one family attending the College at the same time there is a discount of 10%. This discount does not apply to Attendance Dues, or College Contribution which are charged to all students.

The Boards of Baradene College have approved an increase equal to 4% of the total Parent Financial Contributions for 2023. This is to meet increases in costs and assist with a major capital project being planned, details of which are set out below.

Attendance Dues

Attendance Dues (including GST) have been increased to \$239.00 per Term for senior students and \$122.00 per Term for juniors. The Minister of Education approves the rate of Attendance Dues under Section 30 of the Education and Training Act 2020 in respect of the groups of schools forming part of the Diocese of Auckland Common Fund. The Attendance Dues are paid to the Auckland Common Fund and must be applied solely for authorised purposes under Section 30 of the Act.

Junior and Senior Contributions

The Junior and Senior Contributions provide for the Special Character Programme within the College, assist in the repayment of bank loans committed to by the Proprietor as part of the new developments scheduled in the Master Campus Plan, contribute directly towards the cost of large capital projects and are used for general capital works around the College.

College Contribution

The College Contribution is \$365.56 (GST exempt) per Term. This Contribution is to cover extra resources for the benefit of students including additional staffing, curriculum resources, information technology and co – curricular activities.

College Magazine

The charge for the College Magazine of \$44.00 (incl GST) in Term 3 is based on one per family. This cost is set by the Baradene College Board of Trustees.

School Camps

The School from 2022 has been charging parents of Year 8 and Year 10 Students directly for Camp Contributions.

Parent Teacher Association

The annual contribution of \$10.00 per family is collected on behalf of the PTA.

Alumnae Association

A one-off contribution of \$50.00 is collected from each Year 13 student on behalf of the Alumnae Association. This is for lifetime membership of the Association.

Master Development Plan

A Master Development Plan is subject to ongoing review to provide quality teaching and learning facilities for the students and to ensure future projects following the Music Sports and Infrastructure Project are appropriately co-ordinated and prioritised. The current very significant project which is at an advanced planning stage is the replacement of the existing gym with a new double gym including a championship size court, fitness centre and classrooms to provide facilities for the college's approved roll increase over the coming years. It is expected construction will commence in the first quarter of 2023 with completion by mid 2024.

Parent Financial Contributions requested from parents may be revised from time to time in the light of rising costs. The Boards reserve the right to make any such revisions during the year after advising parents.

Edmund Lawler
Chairperson, Baradene College Limited
November 2022

The Financial Contributions for 2023 are as follows:

Year 7 and Year 8

Term 1, 2023	\$796.16 Junior Contribution
