

2024 NETBALL

YEAR 9 - 13

This is a brief information booklet for you to familiarise yourself with netball at Baradene.

If you have any questions after reading through the booklet, please contact Dani Reynolds, dreynolds@baradene.school.nz, 524 6049 ext 861.

Values

- **Enjoyment** – Netball should be enjoyable for all players at Baradene, irrespective of age and grade.
- **Teamwork** – Emphasise teamwork as the key foundation of successful teams, irrespective of age and grade.
- **Cor Unum** – Encourages all players, coaches, and supporters to adhere to the Cor Unum values throughout all grades.
- **Success** – We aim to be competitive in all competitions and tournaments.

Baradene Netball Development Plan

With approximately 50 teams we have a strong emphasis on expectations throughout the age groups / skill levels. They are as follows:

Year 7 / 8

Development, fun, promoting a team culture, gaining a love of the game, making new friends at Baradene. Fair court time is promoted. A more competitive aspect is placed on our Y7 and Y8 A teams.

Year 9 – Senior

Competitive netball (dependent on grade), students take ownership of their sporting enjoyment and success. Fair court time is promoted as well as encouraging a healthy lifestyle, skill development, and team responsibility.

Premier

Competitive, performance based, leading Baradene netball expectations with a mastering of skills.

Senior Social

Fun, participation.

Note: Students develop at different rates, at different ages. As a result, teams change year after year.

Uniforms

Our uniform has been registered at the Auckland Netball Centre, and the **correct uniform must be worn at all times**. The registered uniform consists of:

- Skirt and top to be purchased through the uniform shop
- Baradene White Sports Socks
- Appropriate netball shoes
- School tracksuit. **All students must wear full tracksuit to and from the venue.**

*(If the weather is extremely cold a long-sleeved **black** polyprop may be worn under the top).*

No bright coloured tops are to be worn with the tracksuit, and the pants must be zipped up at all times.

The Baradene hoodie available in the uniform shop may be worn underneath the tracksuit jacket.

Absolutely no Jewellery is to be worn

Cultural and Medical Jewellery – if worn, must be taped to the body. Hair should be tied back and off the face.

Trial Format

It takes around 10 weeks to complete all the netball trials at Baradene from Premier through to Year 7. Within that time, we have to finalise teams and register each team and each individual player with Auckland Netball. With over 100 girls per year level playing netball each year, we have a trial process that:

- a) is fair and transparent,
- b) we can support with selectors, umpires, and bench officials, and
- c) provides many opportunities for the students to display their skills
 - We endeavour to ensure each student has two games per trial, however this is not always possible.
 - C, WA, GA are the most preferred and popular positions, and it is not always possible to have two games per trial if 80% of players request those positions. Please take this into consideration.
 - It is imperative that the girls attend all trials; if there is a legitimate reason for non-attendance this needs to be communicated to the Sport Manager prior to trials.
 - Should the selectors feel they require longer, they may announce a squad and call another trial.

Withdrawing from a team once named is not acceptable at Baradene. If this occurs your daughter will not be permitted to represent Baradene in any other code for the season, so please ensure all commitments are considered prior to committing to trials.

Fees

Premier / Premier 2	\$300
Year 9/10 A / Senior A	\$230
Competitive Teams	\$160
Social Teams (No Umpire)	\$100

Trainings

Trainings are likely to be before or after school – morning trainings are typically 7.00am – 8.15am and afternoon trainings are from 3.30pm - 5.00pm.

Once coaches are appointed, they will arrange a team meeting and propose a training day(s) and time. It is expected that you will take this into consideration when registering for netball.

Training days and times must be suitable for the coach and the majority of the team, but ultimately it is the coach's decision.

Tournaments

- Year 9 A, Year 10 A, and Premier attend the Combined Points tournament (Wednesday 7th August).
- The Premier team attend UNISS (winter tournament week, Sunday 1st September to Friday 6th September). If the team place in the top 6 at UNISS they will then attend the NZSS Netball Championships (Tuesday 8th October to Friday 11th October). Please note there is an additional charge for UNISS and NZSS Netball Championships.

Expectations

- By registering to play netball you are expected to attend all games and trainings.
- We value commitment and respect in team sports, therefore if your daughter is injured, she is still required at trainings and games as a spectator as this is a valuable learning tool.
- It is expected that all communications with the coach / manager are made in a timely manner. If your daughter is unable to attend training or game due to illness, this must be notified to the coach and/or manager as early as possible.
- It is expected that players possess a positive team ethic at all times.
- Fair court time is promoted, however, this is dependent on the players attendance and attitude at trainings and games.

Expectations of Parents and Caregivers

Netball at Baradene is offered for the enjoyment of the children. It is their sport, and the emphasis should always be placed on the values of participating in sport whilst at school. Our coaches and managers are volunteers. We always promote and enforce fair play and respect.

We ask all supporters to:

- Encourage, don't discourage.
- Respect all players, umpires, and coaches at all times – both Baradene and the opposition.
- Reward effort and promote enjoyment by providing a positive and supportive experience.

Umpiring

We endeavour to allocate umpires to all Baradene games. Umpire allocations are sent out with the draw to coaches and team managers each week and are also put on the sports notice board. We actively encourage students to take up umpiring as a means of learning a valuable new skill, gaining confidence, and earning pocket money as games umpired are paid for. If we do not have sufficient umpires, we rely on our coaches and/or parents to step in.

Please note: All premier players will be expected to volunteer umpire or coach throughout the season. This will be included in the 2024 player contract, if they select umpiring, they will be allocated to umpire two games per week.

Auckland Netball facilitate umpire workshops and work with Baradene to allow students to gain their centre badge. Students who do not have their centre badge can gain the theory component by attending clinics run by Auckland Netball at Baradene (the dates for this will be advised in due course). Umpires will then have ample opportunity to attend practical sessions where they will receive coaching and guidance ahead of the season.

Umpires are required to arrive at least **5 minutes** prior to the start of their scheduled game to undertake pre-game checks and preparations.

Representative Netball

Baradene actively encourages our A and B team players to trial for Auckland reps. It is a great environment for young players wishing to further their netball skills.

Frequently Asked Questions

How do I find out the draw?

The draw and umpire allocation will be emailed out to managers and coaches each week. They will then pass on this information to their teams. It is also posted each week on the sports notice board. All information can be found on www.aucklandnetball.co.nz

Are the games ever cancelled?

Auckland Netball only cancel games if there is thunder and lightning within a close proximity of the courts. Should the unlikely event of a cancellation occur, your team manager and coach will be notified, and they in turn will notify you. If the cancellation occurs late, a message will also be sent from the school database and to the students.

What happens in the event of a default?

Rarely, we may receive default notices for games. Should this occur, your coach and manager will be notified, and they in turn will notify the parents and students. If the notice of the default is received very late, a message will also be sent off the database and to students at school.

My daughter is sick and cannot attend training or the game

Inform the manager and/or coach as soon as possible, particularly if your child is unable to attend the game, which allows the coach time to find a reserve player from another team if necessary. All absences must be reported to the team coach / manager in a timely manner.

Likewise, if your daughter is away from school sick, she cannot come in to attend training the same day.

I wish to lay a complaint about an issue during my daughter's game

Complaints regarding a game must go directly to the coach or manager in the first instance. Should the coach or manager feel it is appropriate, they will arrange for the Auckland Netball convenor to attend the game courtside and then inform the school of the issue. Should the complaint be of a serious nature, the coach or manager should be informed, and they will then contact the Baradene Sports Manager who will forward the complaint in writing to Auckland Netball if within 24 hours of the incident. If appropriate, the school may resolve the issue directly.

Coach / Manager Evening

If you are coaching or managing a netball team this year, we ask that you attend a coaches / managers in-person meeting **Wednesday 27th March 6.00pm**, the invite to this meeting will be sent to you closer to the time. You will receive the team gear bags, coaches / managers booklet and vital information for the season at this meeting.

FINAL REGISTRATION DATE

Please ensure you have completed the online registration form by **Friday 9th February 2024**.

HAVE A GREAT SEASON – GO BARA!
