Saturdays – 1st – 29th March @ **9.30am-11am**

Please indicate your preference on the registration form (which is subject to availability). We are limited to the number of girls we can accept in this course, but please note there will be a further novice course held later in the year.

Each session will ensure maximum engagement for the beginner archers. You will be advised which session your daughter is in by email once applications have closed.

All equipment is provided and is facilitated by top Internationally and Nationally accredited Head Coach and assistant coaches. These sessions will cover all aspects of archery using recurve bows which suit both left and right-handed students. We are limiting the number of students to ensure a high standard of personalised coaching and safety for all participants.

COST:

The cost of the beginners' course is \$250 and will be payable via the Parent Portal which will be loaded once entries are confirmed and will be required to be paid prior to the first session.

NZ SECONDARY SCHOOL COMPETITION AND MORE

Following the course, and certification of skills, the new archers will then be able to progress to a more advanced level of coaching from Term 2 with charges on a term by term basis. Days and times to be advised by end of Term 1.

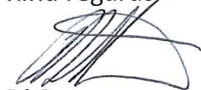

In this coaching, the management and coaching team will be helping the archers develop their personal archery further with the NZ wide Archery postal shoot, local and national competitions, as well as the Baradene Achievement Program.

Withdrawing from a course once named is not acceptable at Baradene. If this occurs your daughter will not be permitted to represent Baradene in any other code for the season, so please ensure all commitments are considered prior to committing to teams.

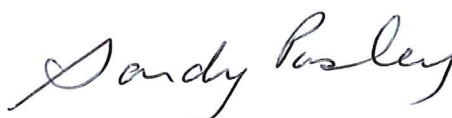

Please ensure your daughter's online registration is completed by **Friday 31st January, 2025.**
