

2025 SPORT CLIMBING – Term 4

Sport Climbing at Baradene offers the opportunity for students to learn the skills of top rope and bouldering climbing. Weekly training at Extreme Edge will develop the athletes' skills, safely. Group coaching will be provided at these trainings.

The Sport Climbing season will extend across one term for Year 8 students, with a capacity of 40 students per term. This is due to our aim to provide more one-on-one coaching for our climbers, and a more concise programme that targets those who are interested in developing their climbing skills and becoming competitive in the sport.
