

2026 ORIENTEERING

ELIGIBILITY: Years 7 to 13

Orienteering is an exciting outdoor sport that challenges both mind and body. The goal is to navigate between control points shown on a detailed map, choosing the fastest route to complete the course. It can be a competitive individual sport or a fun recreational activity for families and friends and is suitable for all ages and fitness levels. Orienteering events can include sprint, forest, relays and rogaines.

EVENTS, VENUES & TRAININGS

Please refer to the calendar below for key dates of school events. Orienteering events consist of school and club events.

1. **Term 1 – College Sport Auckland Sprint Series**

This series takes place on Wednesdays throughout Term 1 from 18th February – 18th March. Students are expected to compete in all five events, unless they have a clash due to a sport trial that they must attend. Two training sessions will be held prior to the series (see below).

2. **Club events**

These are held on Sunday mornings at various venues around the greater Auckland region. These events are used as an opportunity for coaching and upskilling. It is expected that your daughter attends these, as they form an important part of our training programme.

3. **Major school events**

These include Auckland Secondary School (AKSS) Individual and Relay events, as well as the North Island Secondary Schools (NZISS) and New Zealand Secondary Schools (NZSS) Championships.

We also encourage members of the Orienteering group to join the Baradene Distance Running group in Terms 2 and 3 (sign-ups are open now), as this offers valuable additional running preparation.

PRE-SPRINT SERIES TRAININGS and PARENT AND DAUGHTER MEETING

Please note that we will be holding a meeting for all parents and Orienteers at the start of the year to provide a full overview of the upcoming season. We strongly encourage at least one parent to attend.

As shown on the Orienteering calendar, the first event of the Sprint Series is on **18th February**. In preparation, our coaches will be running two training sessions for all members of the Baradene squad:

- **Wednesday 4th February** – Introduction and training 3:30–4:45pm at Baradene, followed by a **Parent/Orienteer Meeting** from 5:00–5:30pm in Room E307, in the Gymnasium
- **Wednesday 11th February** – Sprint training across Baradene and St Kentigern Boys School, Shore Road.

Please mark these important dates in your diary. We look forward to seeing you there.

TRANSPORT

For the Term 1 Sprint Series, buses will transport the girls to each event venue. Please note that parents will need to collect their daughters from the venue by 5.15pm. For other one-day events throughout the year, we will request parent assistance with transport closer to the time.

UNIFORM: An Orienteering top is available for purchase through the Uniform Shop, and we encourage you to buy one for your daughter to compete in. Alternatively, students may wear their PE uniform to events. Sports shoes and white sports socks should be worn for sprint events, while long black socks are permitted for forest runs. Girls must travel to and from the events in the school tracksuit, and sports shoes.

COST: An annual fee of \$280, this covers:

- College Sport Auckland sprint series including transport to each event and coaching throughout the year. This is required to be paid in full prior to the first event.
- For students participating in Sprint Finals, Zones, AKSS, NISS or NZSS events, additional charges will be applied to your daughter's portal each term to cover these costs, incl accommodation and travel expenses for the away trips.

IDENTS AND COMPASSES: If your daughter does not have her own, idents and compasses will be provided at each event. Please note that lost items will incur a replacement fee of \$90 for an ident and \$60 for a compass.

COMMUNICATION: Orienteering use the app Team Reach for the majority of its communications. Once registrations are received we will send the relevant information to access this app.

Please note:

Withdrawing from a team once named is not acceptable at Baradene. If this occurs your daughter will not be permitted to represent Baradene in any other code for the season, so please ensure all commitments are considered prior to committing to teams.

If you have any question or queries regarding Orienteering please do not hesitate to contact either of the following:

- Llew McGivern, Head Orienteering Coach: llew008@gmail.com
- Belinda Reeves, Assistant Coach: binsreeves@gmail.com
- Catherine Ratcliffe, Director of Sport, Baradene: cratcliffe@baradene.school.nz

In the meantime please ensure your daughter's online registration is completed by **Friday 30th January 2026**.

Yours sincerely,
