

2026 SPORT CLIMBING – Term 4

Sport Climbing at Baradene offers the opportunity to learn the skills of top rope and bouldering climbing. Weekly training at Extreme Edge will develop the athletes' skills safely. Group coaching will be provided at these trainings. The season will extend across Term 4 for Year 8 students, with a capacity of 40 students. This is due to our aim to provide more one-on-one coaching for our climbers, and a more concise programme targeting those who are interested in developing their climbing skills and becoming competitive in the sport.
